

DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeremy Berman, Reg. No. 60,582 on 09/10/2009.

The application has been amended as follows:

8. (Currently Amended) The communications system of Claim 6 1 wherein said plurality of handlers and said protocol engine module communicate using a common interface protocol.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance. In interpreting the claims, in light of the specification and the applicant's amendments and remarks filed 07/14/2009, the Examiner finds the claimed invention to be patentably distinct from the prior art of record. The prior art does not teach the common core service module, proxy module, or front end modules and their respective elements/functions as recited in the Applicant's independent claims. Specifically and with reference to the Applicant's independent claims, the prior art does not teach said at least one common core service module comprising, a plurality of handlers for interfacing said proxy module with said

Art Unit: 2445

protocol engine module said proxy module converting access requests from said plurality of mobile wireless communications devices to common access parameters, said front-end proxy module further comprising a flow controller module for receiving the common access parameters from the proxy module and selecting desired handlers for processing thereof. The limitations of the independent claims are allowable subject matter over the prior art, in light of the specification.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Claims 1-2, 4-5, 8-14, 17-19, 22-24, 27-29 are allowed.

Conclusion

Any inquiry concerning this communication should be directed to Vivek Srivastava at telephone number 571-272-7304.
